# THE CALLING CARD OF THE HOUSE

**KNOW  
HOW**  
INSTALLED

Semi-public and public buildings such as hotels and prestigious properties require solutions that meet high standards of comfort and design. In public toilets, the customer experience is significantly influenced by intuitive operation and the flawless functioning of the WC suite. Geberit system solutions for WCs, urinals and washbasins are the first choice for sanitary facilities that present the operator in the best light.

ENTRY

1

**1 WC SOLUTION FOR HIGH DEMANDS ON DESIGN, FUNCTION AND HYGIENE**  
 with: Geberit ONE WC – Geberit Sigma80 actuator plates – Geberit Duofix WC installation element

- Rimfree® WC ceramic appliance
- WC seat ring and WC lid with SoftClosing and QuickRelease
- TurboFlush flush technology with ideal flushing out and reduced cleaning effort
- Automatic flush actuation after use
- Manual touchless dual flush actuation possible

2

**2 EASILY MAINTAINED AND EASILY CLEANED URINAL WITH STATE-OF-THE-ART ELECTRONICS AND INDIVIDUALLY ADJUSTABLE FLUSH FUNCTIONS**  
 with: Geberit Preda urinal – Geberit urinal division – Geberit Duofix urinal installation element

- Rimless urinal with spray head
- Automatic flush actuation
- Easy access and quick replacement of all functional parts
- Direct access to the drainage system without dismantling

3

**3 VERY HIGH-QUALITY AND HYGIENIC WASHBASIN SOLUTION WITH INVISIBLE TRAP**  
 with: Geberit ONE washbasin – Geberit Brenta wall-mounted tap – Geberit Duofix washbasin installation element

- Touchless wall-mounted tap with intuitive operation
- Washbasin with horizontal drain
- Minimal cleaning effort: Combination of wall-mounted tap and washbasin with horizontal drain
- Fully integrated thermostat function with high user convenience and scald protection
- High vandal resistance due to integration of the wall-mounted tap into the installation element

**RETURN ON INVESTMENT**  
 A larger initial investment compared to the Geberit standard solution pays for itself over the years of operation through low operating and maintenance costs, and at the same time improves the customer experience.

**CONTRIBUTION TO CERTIFICATION**  
 The product features of the Advanced solution can have a positive effect on building certifications.

WASHBASIN SOLUTION FULFILLS THE RECOMMENDATIONS OF THE COMMISSION FOR HOSPITAL HYGIENE AND INFECTION PREVENTION (KRINKO)
